
Original Joie

BANQUET MENU

Thank you for considering Original Joe's for your next event. Our banquet facility is called the Hideout and can be used as a separate dining room or a private banquet room. If you would like to book the room for a private function, 40 people are needed to do so, along with a \$500 deposit to secure the room. The Hideout has booths and tables and can hold up to 75 people. It is located on the second floor, with its entrance near the main bar. Unfortunately, it is not handicap accessible and there is a flight of stairs leading to the room. There is a bar located in the room and a bartender will be provided for banquets of 40 or more, if you so desire. There is no charge for this service.

We do not allow live music, but we do have three large screen televisions and there is access to set up a laptop computer.

You have the option of a buffet menu or a sit-down menu. On all sit-down banquets, we require that you notify us at least four days prior to the event as to the amount of each item; 10 New York Steaks, 12 Salmon, 15 Chicken Parmesan, etc. Once committed to the final number of people, you will be allowed a 10% discrepancy. For example, if you commit to a final count of 50 people and you end up with 40, you will be charged for 45 (10% of 50) people. Buffet banquets need to supply the final count three days prior to the event, with the 10% allowance given, as well.

We also offer an extensive wine list and we will be more than happy to help you select a wine or wines that will pair nicely with your food choices.

Final payment is required by the conclusion of the function. Personal checks are not accepted, but we do accept all major credit cards or cash.
